

NATURE'S HEAD®

Installation Guide- Toilet Paper Holder

1 Remove Screws from Old Air Intake Housing

Loosen and remove the two screws that hold the old air intake housing on.

3 Put the Toilet Paper Holder in Place

Place on toilet with the Toilet Paper Holder lined up with the inserts

- Your Toilet Paper Holder will replace the Air Intake Housing in your toilet.
- This is on the OPPOSITE side of the fan, fan housing and hose.
- Do not over tighten the screws or damage to the toilet or housing could occur.

2 Remove Air Intake Housing

Remove old air intake housing and leave the filter and gasket in place

4 Secure Toilet Paper Holder

Alternare tightening the two screws until the housing is tight.
